HOW IT WORKS

Contact our collections team either by phone, email or through our online booking service.

Our charity representative will contact you to assess your needs and arrange a visit to your property if required.

A collection will be booked at a time convenient for you.

Where a full clearance including waste disposal is required, we will prepare an affordable, competitive quote.

WHAT HAPPENS TO YOUR DONATIONS?

A huge part of our fundraising is through our charity shops which are located in Selsdon, Croydon, Westerham, Tatsfield and Peckham. Our services are available across these areas as well as a wide radius throughout Greater London and the South-East.

The proceeds from your donations help us to improve facilities, fund clinical research and capital projects, enhance staff levels, as well as to deliver a range of support to young oncology patients and their families in our local communities. We are a small charity with a big commitment and every penny we raise is used where it is needed most.

WE ACCEPT:

- Small to large furniture items
- Books, CDs, DVDs
- Homeware and household items
- Clothes, shoes and accessories
- Small electrical items

GIFT AID IT!

The sales of donated goods in our charity shops qualify for Gift Aid, boosting our fundraising by an additional 25% at no cost to you if you are a UK Taxpayer.
