BE A CHARITY PARTNER

As a business, nominating us as your 'Charity of the Year' is a fantastic way of contributing to a good cause and feeling the impact of your support in the community where your customers live and work.

Boost team motivation, staff engagement and job satisfaction, build long-lasting local networks and strengthen your profile and brand around issues that really matter.

Partnering with us as a local school is not only a wonderful way for students to do something extra special, but they also learn about the importance of giving back to those in need. It's a great opportunity to bring children, teachers and parents together to share a fun, fantastic and rewarding experience through teamwork and determination.

GIFT AID IT!

For every donation, we receive an additional 25% at no cost to you if you are a UK taxpayer.
